

## Assembly Bill No. 388

### CHAPTER 760

An act to amend Section 1536 of, and to add Section 1538.7 to, the Health and Safety Code, and to amend Sections 241.1, 635, 636, 730.6, 4096.5, and 11469 of the Welfare and Institutions Code, relating to juveniles.

[Approved by Governor September 29, 2014. Filed with Secretary of State September 29, 2014.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 388, Chesbro. Juveniles.

(1) The California Community Care Facilities Act provides for the licensure and regulation of community care facilities, including foster family homes and group homes, by the State Department of Social Services.

Existing law requires the department director, at least annually, to publish and make available to interested persons a list covering all licensed community care facilities, except as specified, and the services for which each facility has been licensed or issued a special permit.

This bill would require that the list for a group home, transitional housing placement provider, community treatment facility, or runaway and homeless youth shelter include specified information, including the number of licensing complaints and the number, types, and outcomes of law enforcement contacts made by the facility staff or children.

This bill would require a group home, transitional housing placement provider, community treatment facility, or runaway and homeless youth shelter to report to the department's Community Care Licensing Division upon the occurrence of any incident concerning a child in the facility involving contact with law enforcement. The bill would require the department to inspect a facility at least once a year if the department determines that a facility has reported a greater than average number of law enforcement contacts involving an alleged violation of specified crimes by a child residing in the facility.

(2) Existing law requires the county probation department and the child welfare services department to, pursuant to a jointly developed written protocol, initially determine which status will serve the best interest of a minor and the protection of society when the minor appears to come within the description of a dependent of the court and a ward of the court pursuant to specified provisions. Existing law requires the juvenile court to determine which status is appropriate for the minor after the recommendations of both departments are presented to the court.

This bill would authorize, if the alleged conduct that appears to bring the dependent minor within the description of a ward of the court occurs in, or under the supervision of, a foster home, group home, or other licensed

facility that provides residential care for minors, the county probation department and the child welfare services department to consider, in making their determination and recommendation to the court, whether the alleged conduct was within the scope of behaviors to be managed or treated by the facility, as specified. The bill would also authorize, among other things, a requirement for immediate notification of the child welfare service department and the minor's dependency attorney upon referral of a dependent minor to probation, to be included in the protocols developed by the county probation department and the child welfare services department.

(3) Existing law requires the court to determine whether a minor in custody pursuant to specified provisions shall be released from, or detained in, custody, considering, among other things, whether it is a matter of immediate and urgent necessity for the protection of the minor or reasonably necessary for the protection of the person or property of another that he or she be detained and whether continuance in the home is contrary to the minor's welfare.

This bill would require that the court's decision to detain, if a minor is a dependent of the court, not be based on the minor's status as a dependent of the court or the child welfare services department's inability to provide a placement for the minor. The bill would require, in certain circumstances, the court to order the child welfare services department to place the minor in another licensed or approved placement. By imposing additional duties on local officials, the bill would create a state-mandated local program.

(4) Existing law requires the department, in consultation with specified entities to develop performance standards and outcome measures for determining the effectiveness of the care and supervision provided by group homes under the Aid to Families with Dependent Children-Foster Care program.

This bill would require, by January 1, 2016, the department, in consultation with specified entities and persons, to develop additional performance standards and outcome measures that require group homes to implement programs and services to minimize law enforcement contacts and delinquency petition filings arising in group homes, as specified.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

*The people of the State of California do enact as follows:*

SECTION 1. It is the intent of the Legislature to reduce the frequency of law enforcement involvement and delinquency petitions arising from incidents at group homes and other facilities licensed to provide residential care to dependent children.

SEC. 2. Section 1536 of the Health and Safety Code is amended to read:

1536. (a) (1) At least annually, the director shall publish and make available to interested persons a list or lists covering all licensed community care facilities, other than foster family homes and certified family homes of foster family agencies providing 24-hour care for six or fewer foster children, and the services for which each facility has been licensed or issued a special permit.

(2) For a group home, transitional housing placement provider, community treatment facility, or runaway and homeless youth shelter, the list shall include both of the following:

(A) The number of licensing complaints, types of complaint, and outcomes of complaints, including citations, fines, exclusion orders, license suspensions, revocations, and surrenders.

(B) The number, types, and outcomes of law enforcement contacts made by the facility staff or children, as reported pursuant to subdivision (a) of Section 1538.7.

(b) Subject to subdivision (c), to encourage the recruitment of foster family homes and certified family homes of foster family agencies, protect their personal privacy, and to preserve the security and confidentiality of the placements in the homes, the names, addresses, and other identifying information of facilities licensed as foster family homes and certified family homes of foster family agencies providing 24-hour care for six or fewer children shall be considered personal information for purposes of the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code). This information shall not be disclosed by any state or local agency pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code), except as necessary for administering the licensing program, facilitating the placement of children in these facilities, and providing names and addresses only to bona fide professional foster parent organizations upon request.

(c) Notwithstanding subdivision (b), the department, a county, or a foster family agency may request information from, or divulge information to, the department, a county, or a foster family agency, regarding a prospective certified parent, foster parent, or relative caregiver for the purpose of, and as necessary to, conduct a reference check to determine whether it is safe and appropriate to license, certify, or approve an applicant to be a certified parent, foster parent, or relative caregiver.

(d) The department may issue a citation and, after the issuance of that citation, may assess a civil penalty of fifty dollars (\$50) per day for each instance of a foster family agency's failure to provide the department with the information required by subdivision (h) of Section 88061 of Title 22 of the California Code of Regulations.

(e) The Legislature encourages the department, when funds are available for this purpose, to develop a database that would include all of the following information:

(1) Monthly reports by a foster family agency regarding family homes.

(2) A log of family homes certified and decertified, provided by a foster family agency to the department.

(3) Notification by a foster family agency to the department informing the department of a foster family agency's determination to decertify a certified family home due to any of the following actions by the certified family parent:

(A) Violating licensing rules and regulations.

(B) Aiding, abetting, or permitting the violation of licensing rules and regulations.

(C) Conducting oneself in a way that is inimical to the health, morals, welfare, or safety of a child placed in that certified family home.

(D) Being convicted of a crime while a certified family parent.

(E) Knowingly allowing any child to have illegal drugs or alcohol.

(F) Committing an act of child abuse or neglect or an act of violence against another person.

SEC. 3. Section 1538.7 is added to the Health and Safety Code, to read:

1538.7. (a) A group home, transitional housing placement provider, community treatment facility, or runaway and homeless youth shelter shall report to the department's Community Care Licensing Division upon the occurrence of any incident concerning a child in the facility involving contact with law enforcement. At least every six months, the facility shall provide a followup report for each incident, including the type of incident, whether the incident involved an alleged violation of any crime described in Section 602 of the Welfare and Institutions Code by a child residing in the facility; whether staff, children, or both were involved; the gender, race, ethnicity, and age of children involved; and the outcomes, including arrests, removals of children from placement, or termination or suspension of staff.

(b) (1) If the department determines that, based on the licensed capacity, a facility has reported, pursuant to subdivision (a), a greater than average number of law enforcement contacts involving an alleged violation of any crime described in Section 602 of the Welfare and Institutions Code by a child residing in the facility, the department shall inspect the facility at least once a year.

(2) An inspection conducted pursuant to paragraph (1) does not constitute an unannounced inspection required pursuant to Section 1534.

(c) If an inspection is required pursuant to subdivision (b), the Community Care Licensing Division shall provide the report to the department's Children and Family Services Division and to any other public agency that has certified the facility's program or any component of the facility's program including, but not limited to, the State Department of Health Care Services, which certifies group homes pursuant to Section 4096.5 of the Welfare and Institutions Code.

SEC. 4. Section 241.1 of the Welfare and Institutions Code is amended to read:

241.1. (a) Whenever a minor appears to come within the description of both Section 300 and Section 601 or 602, the county probation department and the child welfare services department shall, pursuant to a jointly

developed written protocol described in subdivision (b), initially determine which status will serve the best interests of the minor and the protection of society. The recommendations of both departments shall be presented to the juvenile court with the petition that is filed on behalf of the minor, and the court shall determine which status is appropriate for the minor. Any other juvenile court having jurisdiction over the minor shall receive notice from the court, within five calendar days, of the presentation of the recommendations of the departments. The notice shall include the name of the judge to whom, or the courtroom to which, the recommendations were presented.

(b) (1) The probation department and the child welfare services department in each county shall jointly develop a written protocol to ensure appropriate local coordination in the assessment of a minor described in subdivision (a), and the development of recommendations by these departments for consideration by the juvenile court.

(2) These protocols shall require, but not be limited to, consideration of the nature of the referral, the age of the minor, the prior record of the minor's parents for child abuse, the prior record of the minor for out-of-control or delinquent behavior, the parents' cooperation with the minor's school, the minor's functioning at school, the nature of the minor's home environment, and the records of other agencies that have been involved with the minor and his or her family. The protocols also shall contain provisions for resolution of disagreements between the probation and child welfare services departments regarding the need for dependency or ward status and provisions for determining the circumstances under which filing a new petition is required to change the minor's status.

(3) (A) These protocols may also require immediate notification of the child welfare services department and the minor's dependency attorney upon referral of a dependent minor to probation, procedures for release to, and placement by, the child welfare services department pending resolution of the determination pursuant to this section, timelines for dependents in secure custody to ensure timely resolution of the determination pursuant to this section for detained dependents, and nondiscrimination provisions to ensure that dependents are provided with any option that would otherwise be available to a nondependent minor.

(B) If the alleged conduct that appears to bring a dependent minor within the description of Section 601 or 602 occurs in, or under the supervision of, a foster home, group home, or other licensed facility that provides residential care for minors, the county probation department and the child welfare services department may consider whether the alleged conduct was within the scope of behaviors to be managed or treated by the foster home or facility, as identified in the minor's case plan, needs and services plan, placement agreement, facility plan of operation, or facility emergency intervention plan, in determining which status will serve the best interests of the minor and the protection of society pursuant to subdivision (a).

(4) The protocols shall contain the following processes:

(A) A process for determining which agency and court shall supervise a child whose jurisdiction is modified from delinquency jurisdiction to dependency jurisdiction pursuant to paragraph (2) of subdivision (b) of Section 607.2 or subdivision (i) of Section 727.2.

(B) A process for determining which agency and court shall supervise a nonminor dependent under the transition jurisdiction of the juvenile court.

(C) A process that specifically addresses the manner in which supervision responsibility is determined when a nonminor dependent becomes subject to adult probation supervision.

(c) Whenever a minor who is under the jurisdiction of the juvenile court of a county pursuant to Section 300, 601, or 602 is alleged to come within the description of Section 300, 601, or 602 by another county, the county probation department or child welfare services department in the county that has jurisdiction under Section 300, 601, or 602 and the county probation department or child welfare services department of the county alleging the minor to be within one of those sections shall initially determine which status will best serve the best interests of the minor and the protection of society. The recommendations of both departments shall be presented to the juvenile court in which the petition is filed on behalf of the minor, and the court shall determine which status is appropriate for the minor. In making their recommendation to the juvenile court, the departments shall conduct an assessment consistent with the requirements of subdivision (b). Any other juvenile court having jurisdiction over the minor shall receive notice from the court in which the petition is filed within five calendar days of the presentation of the recommendations of the departments. The notice shall include the name of the judge to whom, or the courtroom to which, the recommendations were presented.

(d) Except as provided in subdivision (e), this section shall not authorize the filing of a petition or petitions, or the entry of an order by the juvenile court, to make a minor simultaneously both a dependent child and a ward of the court.

(e) Notwithstanding subdivision (d), the probation department and the child welfare services department, in consultation with the presiding judge of the juvenile court, in any county may create a jointly written protocol to allow the county probation department and the child welfare services department to jointly assess and produce a recommendation that the child be designated as a dual status child, allowing the child to be simultaneously a dependent child and a ward of the court. This protocol shall be signed by the chief probation officer, the director of the county social services agency, and the presiding judge of the juvenile court prior to its implementation. A juvenile court shall not order that a child is simultaneously a dependent child and a ward of the court pursuant to this subdivision unless and until the required protocol has been created and entered into. This protocol shall include all of the following:

(1) A description of the process to be used to determine whether the child is eligible to be designated as a dual status child.

(2) A description of the procedure by which the probation department and the child welfare services department will assess the necessity for dual status for specified children and the process to make joint recommendations for the court's consideration prior to making a determination under this section. These recommendations shall ensure a seamless transition from wardship to dependency jurisdiction, as appropriate, so that services to the child are not disrupted upon termination of the wardship.

(3) A provision for ensuring communication between the judges who hear petitions concerning children for whom dependency jurisdiction has been suspended while they are within the jurisdiction of the juvenile court pursuant to Section 601 or 602. A judge may communicate by providing a copy of any reports filed pursuant to Section 727.2 concerning a ward to a court that has jurisdiction over dependency proceedings concerning the child.

(4) A plan to collect data in order to evaluate the protocol pursuant to Section 241.2.

(5) Counties that exercise the option provided for in this subdivision shall adopt either an "on-hold" system as described in subparagraph (A) or a "lead court/lead agency" system as described in subparagraph (B). There shall not be any simultaneous or duplicative case management or services provided by both the county probation department and the child welfare services department. It is the intent of the Legislature that judges, in cases in which more than one judge is involved, shall not issue conflicting orders.

(A) In counties in which an on-hold system is adopted, the dependency jurisdiction shall be suspended or put on hold while the child is subject to jurisdiction as a ward of the court. When it appears that termination of the court's jurisdiction, as established pursuant to Section 601 or 602, is likely and that reunification of the child with his or her parent or guardian would be detrimental to the child, the county probation department and the child welfare services department shall jointly assess and produce a recommendation for the court regarding whether the court's dependency jurisdiction shall be resumed.

(B) In counties in which a lead court/lead agency system is adopted, the protocol shall include a method for identifying which court or agency will be the lead court/lead agency. That court or agency shall be responsible for case management, conducting statutorily mandated court hearings, and submitting court reports.

(f) Whenever the court determines pursuant to this section or Section 607.2 or 727.2 that it is necessary to modify the court's jurisdiction over a dependent or ward who was removed from his or her parent or guardian and placed in foster care, the court shall ensure that all of the following conditions are met:

(1) The petition under which jurisdiction was taken at the time the dependent or ward was originally removed is not dismissed until the new petition has been sustained.

(2) The order modifying the court's jurisdiction contains all of the following provisions:

(A) Reference to the original removal findings and a statement that findings that continuation in the home is contrary to the child's welfare, and that reasonable efforts were made to prevent removal, remain in effect.

(B) A statement that the child continues to be removed from the parent or guardian from whom the child was removed under the original petition.

(C) Identification of the agency that is responsible for placement and care of the child based upon the modification of jurisdiction.

SEC. 5. Section 635 of the Welfare and Institutions Code is amended to read:

635. (a) The court will examine the minor, his or her parent, legal guardian, or other person having relevant knowledge, hear relevant evidence the minor, his or her parent, legal guardian, or counsel desires to present, and, unless it appears that the minor has violated an order of the juvenile court or has escaped from the commitment of the juvenile court or that it is a matter of immediate and urgent necessity for the protection of the minor or reasonably necessary for the protection of the person or property of another that he or she be detained or that the minor is likely to flee to avoid the jurisdiction of the court, the court shall make its order releasing the minor from custody.

(b) (1) The circumstances and gravity of the alleged offense may be considered, in conjunction with other factors, to determine whether it is a matter of immediate and urgent necessity for the protection of the minor or reasonably necessary for the protection of the person or property of another that the minor be detained.

(2) If a minor is a dependent of the court pursuant to Section 300, the court's decision to detain shall not be based on the minor's status as a dependent of the court or the child welfare services department's inability to provide a placement for the minor.

(c) (1) The court shall order release of the minor from custody unless a prima facie showing has been made that the minor is a person described in Section 601 or 602.

(2) If the court orders release of a minor who is a dependent of the court pursuant to Section 300, the court shall order the child welfare services department either to ensure that the minor's current foster parent or other caregiver takes physical custody of the minor or to take physical custody of the minor and place the minor in a licensed or approved placement.

(d) If the probation officer has reason to believe that the minor is at risk of entering foster care placement as described in Section 11402, then the probation officer shall submit a written report to the court containing all of the following:

(1) The reasons why the minor has been removed from the parent's custody.

(2) Any prior referrals for abuse or neglect of the minor or any prior filings regarding the minor pursuant to Section 300.

(3) The need, if any, for continued detention.

(4) The available services that could facilitate the return of the minor to the custody of the minor's parents or guardians.

(5) Whether there are any relatives who are able and willing to provide effective care and control over the minor.

SEC. 6. Section 636 of the Welfare and Institutions Code is amended to read:

636. (a) If it appears upon the hearing that the minor has violated an order of the juvenile court or has escaped from a commitment of the juvenile court or that it is a matter of immediate and urgent necessity for the protection of the minor or reasonably necessary for the protection of the person or property of another that he or she be detained or that the minor is likely to flee to avoid the jurisdiction of the court, and that continuance in the home is contrary to the minor's welfare, the court may make its order that the minor be detained in the juvenile hall or other suitable place designated by the juvenile court for a period not to exceed 15 judicial days and shall enter the order together with its findings of fact in support thereof in the records of the court. The circumstances and gravity of the alleged offense may be considered, in conjunction with other factors, to determine whether it is a matter of immediate and urgent necessity for the protection of the minor or the person or property of another that the minor be detained. If a minor is a dependent of the court pursuant to Section 300, the court's decision to detain shall not be based on the minor's status as a dependent of the court or the child welfare services department's inability to provide a placement for the minor.

(b) If the court finds that the criteria of Section 628.1 are applicable, the court shall place the minor on home supervision for a period not to exceed 15 judicial days, and shall enter the order together with its findings of fact in support thereof in the records of the court. If the court releases the minor on home supervision, the court may continue, modify, or augment any conditions of release previously imposed by the probation officer, or may impose new conditions on a minor released for the first time. If there are new or modified conditions, the minor shall be required to sign a written promise to obey those conditions pursuant to Section 628.1.

(c) If the probation officer is recommending that the minor be detained, the probation officer shall submit to the court documentation, as follows:

(1) Documentation that continuance in the home is contrary to the minor's welfare shall be submitted to the court as part of the detention report prepared pursuant to Section 635.

(2) Documentation that reasonable efforts were made to prevent or eliminate the need for removal of the minor from the home and documentation of the nature and results of the services provided shall be submitted to the court either as part of the detention report prepared pursuant to Section 635, or as part of a case plan prepared pursuant to Section 636.1, but in no case later than 60 days from the date of detention.

(d) Except as provided in subdivision (e), before detaining the minor, the court shall determine whether continuance in the home is contrary to the minor's welfare and whether there are available services that would prevent the need for further detention. The court shall make that determination on a case-by-case basis and shall make reference to the

documentation provided by the probation officer or other evidence relied upon in reaching its decision.

(1) If the minor can be returned to the custody of his or her parent or legal guardian at the detention hearing, through the provision of services to prevent removal, the court shall release the minor to the physical custody of his or her parent or legal guardian and order that those services be provided.

(2) If the minor cannot be returned to the custody of his or her parent or legal guardian at the detention hearing, the court shall state the facts upon which the detention is based. The court shall make the following findings on the record and reference the probation officer's report or other evidence relied upon to make its determinations:

(A) Whether continuance in the home of the parent or legal guardian is contrary to the minor's welfare.

(B) Whether reasonable efforts have been made to safely maintain the minor in the home of his or her parent or legal guardian and to prevent or eliminate the need for removal of the minor from his or her home. This finding shall be made at the detention hearing if possible, but in no case later than 60 days following the minor's removal from the home.

(3) If the minor cannot be returned to the custody of his or her parent or legal guardian at the detention hearing, the court shall make the following orders:

(A) The probation officer shall provide services as soon as possible to enable the minor's parent or legal guardian to obtain any assistance as may be needed to enable the parent or guardian to effectively provide the care and control necessary for the minor to return to the home.

(B) The minor's placement and care shall be the responsibility of the probation department pending disposition or further order of the court.

(4) If the matter is set for rehearing pursuant to Section 637, or continued pursuant to Section 638, or continued for any other reason, the court shall find that the continuance of the minor in the parent's or guardian's home is contrary to the minor's welfare at the initial petition hearing or order the release of the minor from custody.

(e) For a minor who is a dependent of the court pursuant to Section 300, the court's decision to detain the minor shall not be based on a finding that continuance in the minor's current placement is contrary to the minor's welfare. If the court determines that continuance in the minor's current placement is contrary to the minor's welfare, the court shall order the child welfare services department to place the minor in another licensed or approved placement.

(f) Whether the minor is returned home or detained, the court shall order the minor's parent or guardian to cooperate with the probation officer in obtaining those services described in paragraph (1) of, or in subparagraph (A) of paragraph (3) of, subdivision (d).

SEC. 7. Section 730.6 of the Welfare and Institutions Code is amended to read:

730.6. (a) (1) It is the intent of the Legislature that a victim of conduct for which a minor is found to be a person described in Section 602 who incurs any economic loss as a result of the minor's conduct shall receive restitution directly from that minor.

(2) Upon a minor being found to be a person described in Section 602, the court shall consider levying a fine in accordance with Section 730.5. In addition, the court shall order the minor to pay, in addition to any other penalty provided or imposed under the law, both of the following:

(A) A restitution fine in accordance with subdivision (b).

(B) Restitution to the victim or victims, if any, in accordance with subdivision (h).

(b) If a minor is found to be a person described in Section 602, the court shall impose a separate and additional restitution fine. The restitution fine shall be set at the discretion of the court and commensurate with the seriousness of the offense as follows:

(1) If the minor is found to be a person described in Section 602 by reason of the commission of one or more felony offenses, the restitution fine shall not be less than one hundred dollars (\$100) and not more than one thousand dollars (\$1,000). A separate hearing for the fine shall not be required.

(2) If the minor is found to be a person described in Section 602 by reason of the commission of one or more misdemeanor offenses, the restitution fine shall not exceed one hundred dollars (\$100). A separate hearing for the fine shall not be required.

(c) The restitution fine shall be in addition to any other disposition or fine imposed and shall be imposed regardless of the minor's inability to pay. This fine shall be deposited in the Restitution Fund.

(d) (1) In setting the amount of the fine pursuant to subparagraph (A) of paragraph (2) of subdivision (a), the court shall consider any relevant factors including, but not limited to, the minor's ability to pay, the seriousness and gravity of the offense and the circumstances of its commission, any economic gain derived by the minor as a result of the offense, and the extent to which others suffered losses as a result of the offense. The losses may include pecuniary losses to the victim or his or her dependents as well as intangible losses such as psychological harm caused by the offense.

(2) The consideration of a minor's ability to pay may include his or her future earning capacity. A minor shall bear the burden of demonstrating a lack of his or her ability to pay.

(e) Express findings of the court as to the factors bearing on the amount of the fine shall not be required.

(f) Except as provided in subdivision (g), under no circumstances shall the court fail to impose the separate and additional restitution fine required by subparagraph (A) of paragraph (2) of subdivision (a). This fine shall not be subject to penalty assessments pursuant to Section 1464 of the Penal Code.

(g) (1) In a case in which the minor is a person described in Section 602 by reason of having committed a felony offense, if the court finds that there

are compelling and extraordinary reasons, the court may waive imposition of the restitution fine required by subparagraph (A) of paragraph (2) of subdivision (a). When a waiver is granted, the court shall state on the record all reasons supporting the waiver.

(2) If the minor is a person described in subdivision (a) of Section 241.1, the court shall waive imposition of the restitution fine required by subparagraph (A) of paragraph (2) of subdivision (a).

(h) (1) Restitution ordered pursuant to subparagraph (B) of paragraph (2) of subdivision (a) shall be imposed in the amount of the losses, as determined. If the amount of loss cannot be ascertained at the time of sentencing, the restitution order shall include a provision that the amount shall be determined at the direction of the court at any time during the term of the commitment or probation. The court shall order full restitution unless it finds compelling and extraordinary reasons for not doing so, and states them on the record. A minor's inability to pay shall not be considered a compelling or extraordinary reason not to impose a restitution order, nor shall inability to pay be a consideration in determining the amount of the restitution order. A restitution order pursuant to subparagraph (B) of paragraph (2) of subdivision (a), to the extent possible, shall identify each victim, unless the court for good cause finds that the order should not identify a victim or victims, and the amount of each victim's loss to which it pertains, and shall be of a dollar amount sufficient to fully reimburse the victim or victims for all determined economic losses incurred as the result of the minor's conduct for which the minor was found to be a person described in Section 602, including all of the following:

(A) Full or partial payment for the value of stolen or damaged property. The value of stolen or damaged property shall be the replacement cost of like property, or the actual cost of repairing the property when repair is possible.

(B) Medical expenses.

(C) Wages or profits lost due to injury incurred by the victim, and if the victim is a minor, wages or profits lost by the minor's parent, parents, guardian, or guardians, while caring for the injured minor. Lost wages shall include any commission income as well as any base wages. Commission income shall be established by evidence of commission income during the 12-month period prior to the date of the crime for which restitution is being ordered, unless good cause for a shorter time period is shown.

(D) Wages or profits lost by the victim, and if the victim is a minor, wages or profits lost by the minor's parent, parents, guardian, or guardians, due to time spent as a witness or in assisting the police or prosecution. Lost wages shall include any commission income as well as any base wages. Commission income shall be established by evidence of commission income during the 12-month period prior to the date of the crime for which restitution is being ordered, unless good cause for a shorter time period is shown.

(2) A minor shall have the right to a hearing before a judge to dispute the determination of the amount of restitution. The court may modify the amount on its own motion or on the motion of the district attorney, the

victim or victims, or the minor. If a motion is made for modification of a restitution order, the victim shall be notified of that motion at least 10 days prior to the hearing on the motion. When the amount of victim restitution is not known at the time of disposition, the court order shall identify the victim or victims, unless the court finds for good cause that the order should not identify a victim or victims, and state that the amount of restitution for each victim is to be determined. When feasible, the court shall also identify on the court order, any cooffenders who are jointly and severally liable for victim restitution.

(i) A restitution order imposed pursuant to subparagraph (B) of paragraph (2) of subdivision (a) shall identify the losses to which it pertains, and shall be enforceable as a civil judgment pursuant to subdivision (r). The making of a restitution order pursuant to this subdivision shall not affect the right of a victim to recovery from the Restitution Fund in the manner provided elsewhere, except to the extent that restitution is actually collected pursuant to the order. Restitution collected pursuant to this subdivision shall be credited to any other judgments for the same losses obtained against the minor or the minor's parent or guardian arising out of the offense for which the minor was found to be a person described in Section 602. Restitution imposed shall be ordered to be made to the Restitution Fund to the extent that the victim, as defined in subdivision (j), has received assistance from the Victims of Crime Program pursuant to Article 5 (commencing with Section 13959) of Chapter 5 of Part 4 of Division 3 of Title 2 of the Government Code.

(j) For purposes of this section, "victim" shall include:

(1) The immediate surviving family of the actual victim.

(2) Any governmental entity that is responsible for repairing, replacing, or restoring public or privately owned property that has been defaced with graffiti or other inscribed material, as defined in subdivision (e) of Section 594 of the Penal Code, and that has sustained an economic loss as the result of a violation of Section 594, 594.3, 594.4, 640.5, 640.6, or 640.7 of the Penal Code.

(k) This section shall not prevent a court from ordering restitution to any corporation, business trust, estate, trust, partnership, association, joint venture, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity when that entity is a direct victim of an offense. If the direct victim is a group home or other facility licensed to provide residential care in which the minor was placed as a dependent or ward of the court, or an employee thereof, restitution shall be limited to out-of-pocket expenses that are not covered by insurance and that are paid by the facility or employee.

(l) Upon a minor being found to be a person described in Section 602, the court shall require, as a condition of probation, the payment of restitution fines and orders imposed under this section. Any portion of a restitution order that remains unsatisfied after a minor is no longer on probation shall continue to be enforceable by a victim pursuant to subdivision (r) until the obligation is satisfied in full.

(m) Probation shall not be revoked for failure of a person to make restitution pursuant to this section as a condition of probation unless the court determines that the person has willfully failed to pay or failed to make sufficient bona fide efforts to legally acquire the resources to pay.

(n) If the court finds and states on the record compelling and extraordinary reasons why restitution should not be required as provided in paragraph (2) of subdivision (a), the court shall order, as a condition of probation, that the minor perform specified community service.

(o) The court may avoid ordering community service as a condition of probation only if it finds and states on the record compelling and extraordinary reasons not to order community service in addition to the finding that restitution pursuant to paragraph (2) of subdivision (a) should not be required.

(p) When a minor is committed to the Department of the Youth Authority, the court shall order restitution to be paid to the victim or victims, if any. Payment of restitution to the victim or victims pursuant to this subdivision shall take priority in time over payment of any other restitution fine imposed pursuant to this section.

(q) At its discretion, the board of supervisors of any county may impose a fee to cover the actual administrative cost of collecting the restitution fine, not to exceed 10 percent of the amount ordered to be paid, to be added to the restitution fine and included in the order of the court, the proceeds of which shall be deposited in the general fund of the county.

(r) If the judgment is for a restitution fine ordered pursuant to subparagraph (A) of paragraph (2) of subdivision (a), or a restitution order imposed pursuant to subparagraph (B) of paragraph (2) of subdivision (a), the judgment may be enforced in the manner provided in Section 1214 of the Penal Code.

SEC. 8. Section 4096.5 of the Welfare and Institutions Code is amended to read:

4096.5. The department shall issue each certification for a period of one year and shall specify the effective date the program met the certification requirements. A program may be recertified if the program continues to meet the criteria for certification.

(2) Any county to which the certification task is delegated pursuant to paragraph (1) shall use the criteria and format developed by the department.

(d) The State Department of Health Care Services or delegated county shall notify the State Department of Social Services Community Care Licensing Division immediately upon the termination of any certification issued in accordance with subdivision (a).

(e) Upon receipt of notification from the State Department of Social Services Community Care Licensing Division of any adverse licensing action taken after the finding of noncompliance during an inspection conducted pursuant to Section 1538.7 of the Health and Safety Code, the State Department of Health Care Services or the delegated county shall review the certification issued pursuant to this section.

SEC. 9. Section 11469 of the Welfare and Institutions Code is amended to read:

11469. (a) The department, in consultation with group home providers, the County Welfare Directors Association, the Chief Probation Officers of California, the California Mental Health Directors Association, and the State Department of Health Care Services, shall develop performance standards and outcome measures for determining the effectiveness of the care and supervision, as defined in subdivision (b) of Section 11460, provided by group homes under the AFDC-FC program pursuant to Sections 11460 and 11462. These standards shall be designed to measure group home program performance for the client group that the group home program is designed to serve.

(1) The performance standards and outcome measures shall be designed to measure the performance of group home programs in areas over which the programs have some degree of influence, and in other areas of measurable program performance that the department can demonstrate are areas over which group home programs have meaningful managerial or administrative influence.

(2) These standards and outcome measures shall include, but are not limited to, the effectiveness of services provided by each group home program, and the extent to which the services provided by the group home assist in obtaining the child welfare case plan objectives for the child.

(3) In addition, when the group home provider has identified as part of its program for licensing, ratesetting, or county placement purposes, or has included as a part of a child's case plan by mutual agreement between the group home and the placing agency, specific mental health, education, medical, and other child-related services, the performance standards and outcome measures may also measure the effectiveness of those services.

(b) Regulations regarding the implementation of the group home performance standards system required by this section shall be adopted no later than one year prior to implementation. The regulations shall specify both the performance standards system and the manner by which the AFDC-FC rate of a group home program shall be adjusted if performance standards are not met.

(c) Except as provided in subdivision (d), effective July 1, 1995, group home performance standards shall be implemented. Any group home program not meeting the performance standards shall have its AFDC-FC

rate, set pursuant to Section 11462, adjusted according to the regulations required by this section.

(d) Effective July 1, 1995, group home programs shall be classified at rate classification level 13 or 14 only if all of the following are met:

(1) The program generates the requisite number of points for rate classification level 13 or 14.

(2) The program only accepts children with special treatment needs as determined through the assessment process pursuant to paragraph (2) of subdivision (a) of Section 11462.01.

(3) The program meets the performance standards designed pursuant to this section.

(e) Notwithstanding subdivision (c), the group home program performance standards system shall not be implemented prior to the implementation of the AFDC-FC performance standards system.

(f) By January 1, 2016, the department, in consultation with the County Welfare Directors Association, the Chief Probation Officers of California, the California Mental Health Directors Association, research entities, foster youth and advocates for foster youth, foster care provider business entities organized and operated on a nonprofit basis, Indian tribes, and other stakeholders, shall develop additional performance standards and outcome measures that require group homes to implement programs and services to minimize law enforcement contacts and delinquency petition filings arising from incidents of allegedly unlawful behavior by minors occurring in group homes or under the supervision of group home staff, including individualized behavior management programs, emergency intervention plans, and conflict resolution processes.

SEC. 10. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
