(H.751)

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. 33 V.S.A. § 5103 is amended to read:

§ 5103. JURISDICTION

(a) The family division of the superior court shall have exclusive jurisdiction over all proceedings concerning a child who is or who is alleged to be a delinquent child or a child in need of care or supervision brought under the authority of the juvenile judicial proceedings chapters, except as otherwise provided in such chapters.

(b) Orders issued under the authority of the juvenile judicial proceedings chapters shall take precedence over orders in other family division proceedings and any order of another court of this state, to the extent they are inconsistent. This section shall not apply to child support orders in a divorce, parentage, or relief from abuse proceedings until a child support order has been issued in the juvenile proceeding.

(c)(1) Except as otherwise provided by this title and by subdivision (2) of this subsection, jurisdiction over a child shall not be extended beyond the child's 18th birthday.

(2)(A) Jurisdiction over a child who has been adjudicated delinquent may be extended until six months beyond the child's 18th birthday if the

offense for which the child has been adjudicated delinquent is a nonviolent misdemeanor and the child was 17 years old when he or she committed the offense.

(B) In no case shall custody of a child aged 18 years or older be retained by or transferred to the commissioner for children and families.

(C) Jurisdiction over a child in need of care or supervision shall not be extended beyond the child's 18th birthday.

(D) As used in this subdivision, "nonviolent misdemeanor" means a misdemeanor offense which is not a listed crime as defined in 13 V.S.A. § 5301(7), an offense involving sexual exploitation of children in violation of 13 V.S.A. chapter 64, or an offense involving violation of a protection order in violation of 13 V.S.A. § 1030.

(d) The court may terminate its jurisdiction over a child prior to the child's 18th birthday by order of the court. If the child is not subject to another juvenile proceeding, jurisdiction shall terminate automatically in the following circumstances:

(1) Upon the discharge of a child from juvenile probation, providing the child is not in the legal custody of the commissioner.

(2) Upon an order of the court transferring legal custody to a parent, guardian, or custodian without conditions or protective supervision.

(3) Upon the adoption of a child following a termination of parental

- (12) burglary into an occupied dwelling as defined in 13 V.S.A.

§ 1201(c).

(b) The state's attorney of the county where the juvenile petition is pending may move in the ~~juvenile~~ family division of the superior court for an order transferring jurisdiction under subsection (a) of this section ~~within 10 days of the filing of the petition alleging delinquency~~ at any time prior to adjudication on the merits. The filing of the motion to transfer jurisdiction shall automatically stay the time for the hearing provided for in section 5225 of this title, which stay shall remain in effect until such time as the juvenile court may deny the motion to transfer jurisdiction.

(c) Upon the filing of a motion to transfer jurisdiction under subsection (b) of this section, the juvenile court shall conduct a hearing in accordance with procedures specified in subchapter 2 of this chapter to determine whether:

(1) there is probable cause to believe that the child committed an act listed in subsection (a) of this section; and

(2) public safety and the interests of the community would not be served by treatment of the child under the provisions of law relating to juvenile courts and delinquent children.

(d) In making its determination as required under subsection (c) of this section, the court may consider, among other matters:

(1) The maturity of the child as determined by consideration of his or her age, home, environment; emotional, psychological and physical maturity;

and relationship with and adjustment to school and the community.

(2) The extent and nature of the child's prior record of delinquency.

(3) The nature of past treatment efforts and the nature of the child's response to them.

(4) Whether the alleged offense was committed in an aggressive, violent, premeditated, or willful manner.

(5) The nature of any personal injuries resulting from or intended to be caused by the alleged act.

(6) The prospects for rehabilitation of the child by use of procedures, services, and facilities available through juvenile proceedings.

(7) Whether the protection of the community would be better served by transferring jurisdiction from the ~~juvenile court~~ family division to the criminal division of the superior court.

(e) A transfer under this section shall terminate the jurisdiction of the juvenile court over the child only with respect to those delinquent acts alleged in the petition with respect to which transfer was sought.

(f)(1) The ~~juvenile court~~ family division, following completion of the transfer hearing, shall make ~~written~~ findings and, if the court orders transfer of jurisdiction from the ~~juvenile court~~ family division, shall state the reasons for that order. If the ~~juvenile court~~ family division orders transfer of jurisdiction,

the child shall be treated as an adult. The state's attorney shall commence criminal proceedings as in cases commenced against adults.

(2) Notwithstanding subdivision (1) of this subsection, the parties may stipulate to a transfer of jurisdiction from the family division at any time after a motion to transfer is made pursuant to subsection (b) of this section. The court shall not be required to make findings if the parties stipulate to a transfer pursuant to this subdivision. Upon acceptance of the stipulation to transfer jurisdiction, the court shall transfer the proceedings to the criminal division and the child shall be treated as an adult. The state's attorney shall commence criminal proceedings as in cases commenced against adults.

(g) The order granting or denying transfer of jurisdiction shall not constitute a final judgment or order within the meaning of Rules 3 and 4 of the Vermont Rules of Appellate Procedure.

(h) If a person who has not attained the age of 16 at the time of the alleged offense has been prosecuted as an adult and is not convicted of one of the acts listed in subsection (a) of this section but is convicted only of one or more lesser offenses, jurisdiction shall be transferred to the ~~juvenile~~ family division of the superior court for disposition. A conviction under this subsection shall be considered an adjudication of delinquency and not a conviction of crime, and the entire matter shall be treated as if it had remained in ~~juvenile court~~ the family division throughout. In case of an acquittal for a matter specified in this

subsection and in case of a transfer to ~~juvenile court~~ the family division under this subsection, the court shall order the sealing of all applicable files and records of the court, and such order shall be carried out as provided in subsection 5119(e) of this title.

(i) The record of a hearing conducted under subsection (c) of this section and any related files shall be open to inspection only by persons specified in subsections 5117(b) and (c) of this title in accordance with section 5119 of this title and by the attorney for the child.

(7) Refer a child directly to a youth-appropriate community-based provider that has been approved by the department, which may include a community justice center or a balanced and restorative justice program. Referral to a community-based provider pursuant to this subdivision shall not require the court to place the child on probation. If the community-based provider does not accept the case or if the child fails to complete the program

in a manner deemed satisfactory and timely by the provider, the child shall return to the court for disposition.

Sec. 6. 33 V.S.A. § 5225 is amended to read:

§ 5225. PRELIMINARY HEARING; RISK ASSESSMENT

(a) A preliminary hearing shall be held at the time and date specified on the citation or as otherwise ordered by the court. If a child is taken into custody prior to the preliminary hearing, the preliminary hearing shall be at the time of the temporary care hearing.

(b) Prior to the preliminary hearing, the child shall be afforded an opportunity to undergo a risk and needs screening, which shall be conducted by the department or by a community provider that has contracted with the department to provide risk and need screenings for children alleged to have committed delinquent acts. If the child participates in such a screening, the department or the community provider shall report the risk level result of the screening to the state's attorney. If a charge is brought in the family division, the risk level result shall be provided to the child's attorney. Except on agreement of the parties, the results shall not be provided to the court until after a merits finding has been made.

(c) Counsel for the child shall be assigned prior to the preliminary hearing.

(c)(d) At the preliminary hearing, the court shall appoint a guardian ad

litem for the child. The guardian ad litem may be the child's parent, guardian, or custodian. On its own motion or motion by the child's attorney, the court may appoint a guardian ad litem other than a parent, guardian or custodian.

(d)(e) At the preliminary hearing, a denial shall be entered to the allegations of the petition, unless the juvenile, after adequate consultation with the guardian ad litem and counsel, enters an admission. If the juvenile enters an admission, the disposition case plan required by section 5230 of this title may be waived and the court may proceed directly to disposition, provided that the juvenile, the custodial parent, the state's attorney, the guardian ad litem, and the department agree.

(e)(f) The court may order the child to abide by conditions of release pending a merits or disposition hearing.
